

No:	Part No:	Description:	Price:
1	ELG170X	Alternator - Original Type Body - Negative Earth: BN1 - BJ7	£425.00
1	ELG170Y	Alternator - Original Type Body - Negative Earth: BJ8	£399.50
<p>These high performance units are housed in original style dynamo bodies and are supplied complete with fan, pulley - (required BJ8 only) and full fitting instructions, giving a weight saving of over 4kg.</p>			
1	ELG170T	Alternator - Original Type Body (Positive Earth C45): BN1 - BJ7	£495.00
1	ELG170U	Alternator - Original Type Body (Positive Earth C42): BJ8	£439.00
<p>These high performance alternators are housed in the original style dynamo bodies and are supplied complete with full fitting instructions.</p>			
<p>Ideal if you want the performance and reliability of an alternator without losing the original appearance plus giving a weight saving of approximately 4kg.</p>			
2	ELG267	Dummy Control Box - Alternator: BN1 - BJ7	£39.95
3	ELG268	Dummy Control Box - Alternator: BJ8	£39.95
<p>Alternators do not require a voltage control box due to them being self regulating. You are able to rewire the control box by either bypassing or using it as a junction point requiring two small wiring modifications.</p>			
<p>Or you can fit one of these dummy control boxes that has the wiring modifications plus is fitted with a 40 amp fuse. This fuse is highly recommended, giving protection to your electrical system while keeping the original appearance to the car's bulkhead.</p>			
4	COM183	Gear Reduction Starter Motor - Std Ring Gear: BN1 - BJ8	£159.95
<p>High performance gear reduction starters for the all of the Austin Healey range. These superb units replace the original Lucas starters, and make starting your engine easier which will prevent you from draining the battery. Installation requires no modification to the vehicle and only small wiring changes.</p>			
4	COM183R	Gear Reduction Starter Motor - Thin Ring Gear: BN1 - BJ8	£183.50
<p>Same as COM183 but with a 27mm off set for use with the thin ring gear ENG635R.</p>

5	ELG250	Alternator Kit - 45Amp - Complete: BN1 - BN2 Our alternator conversion is a complete kit. It includes the lightweight aluminium mounting bracket, fan belts, cooling fan, pulley's, 45-amp alternator and all the necessary fittings and detailed installation instructions. We have included a choice of pulleys and fan belts so that the same kit will work for original cars plus cars fitted with the narrow fan belt conversion kit. This upgrade is a must for any person wishing to build a rally car or up rate their standard car to fit extra lights, Kenlowe cooling fan or a music or security system etc. For right hand drive cars the adjusting strap (COM181) may also be required to avoid the steering column. Recommend using with ELG267 or ELG268 Dummy control box	£149.95
5	COM180	Alternator Kit - 45Amp - Complete: BN4 - BJ8 Unlike many of our competitors we offer our alternator conversion as a complete kit. This includes the lightweight aluminium mounting bracket, fan belt, brand new 45-amp alternator with cooling fan and pulley (which is the largest amperage that can be used without up rating the cars wiring) and all the necessary fittings and detailed installation instructions. This upgrade is a must for any person wishing to build a rally car or up rate their standard car to fit extra lights, Kenlowe cooling fan or a music or security system etc. For right hand drive cars the adjusting strap (COM181) may also be required to avoid the steering column.	£138.50
6	COM181	Adjusting Strap - Alternator: BN4 - BJ8 Developed to avoid the steering column on the right hand cars which can sometimes cause obstruction.	£10.95
7	COM180A	Alternator - 45amp (Includes Pulley & Fan): BN1 - BJ8	£73.50
8	COM180B	Alternator Mounting Bracket: BN4 - BJ8	£62.95
9	COM180C	Alternator Mounting Bracket: BN1 - BN2	£47.50
10	COM179	Alternator Belt: BN4 - BJ8	£4.45
10	COM179NA	Alternator Belt - Narrow Type: BN1 - BN2 Narrow belt type to be used with the narrow belt conversion kit.	£8.35
11	COM180D	Alternator Pulley - Wide: BN1 - BN2 To be used when fitting a COM180A alternator to the 100/4 when still using the wide original fan belt.	£24.50
12	INS125N	Competition Rev. Counter - Smiths: BN4 - BJ8 Manufactured by Smiths using the latest state of the art technology, the professional classic style tachometer features microprocessor control and stepper motor movement for excellent clarity and accuracy.	£156.00
13	ELS170	Hazard Warning Kit - Negative Earth: BN1 - BJ8 Suitable for engines with 2, 4, 6, 8 or 12 cylinders with contact breaker or electronic ignition systems which are 12 volt negative earth.	£28.50

No:	Part No:	Description:	Price:
14	COM160	Gear Lever Knob - Works Type: BN4 - BJ8 Precision machined from solid aluminium these competition gear lever knobs incorporate a integrated switch to enable you to operate the overdrive and select gears with only one hand as per the original Works Healeys.	£37.50
15	LTG207	Indicator Lamp - Fits In Shroud: BN4 - BJ7 Cleverly designed to be fitted in the reflector pod of the rear shroud this lamp enables you to have separate brake and indicator lamps as used on the later BJ8's. You do still need to fit reflectors by law in most countries and if required they can be mounted on the bumper by using LTG218, LTG219 and LTG212.	£48.50
16	COM312	'T' Pull Cable - 6': A/R	£8.75
16	COM313	'T' Pull Cable - 12': A/R These T pull cables can be used in conjunction with the battery master switch or a fitted fire extinguisher.	£14.50
17	COM310	Competition Battery Cut-Off Switch - FIA Approved: A/R As specified by the FIA. this battery master switch cuts out the engine by earthing the ignition and also discharges the charging system when turned off in an emergency. It comes complete with installation instructions, removable key, fuse and warning sticker.	£20.95
18	LTG230	Fog Lamp - SFT576 - 5 3/4": A/R	£69.00
18	LTG231	Spot Lamp - SLR576 -5 3/4": A/R	£69.00
18	LTG233	Spot Lamp - SLR700 - 7": A/R	£109.00
18	LTG234	Fog Lamp - SFT700 - 7": A/R These reproductions of the original Lucas lamps offer tremendous value for money.	£109.00
19	LTG235	Bulb - Fog & Spot Lamps: A/R	£4.70
20	BMP145	Mounting Brackets - Pair - Spot Lights - Rally Type: BN1 - BJ8 Sold as a pair these brackets allow you to fit spot or fog lights with no front bumper. They also include a towing eye but hopefully you won't need that.	£99.50
21	LTG229	Bulb - Headlamp, Quartz Halogen H4 - Lucas: BN1 - BJ8 H4 3-Prong Fitting.	£3.50
21	LTG229A	Bulb - Headlamp, Quartz Halogen H4 - Lucas: BN1 - BJ8 H4 Round Base Fitting. These Quartz halogen bulbs will improve the light beam greatly compared to standard bulbs. Make sure you can drive safely with good visibility in the dark!	£3.95

No:	Part No:	Description:	Price:
22	LTG166	Quartz Halogen Conversion Kit Lucas H4: A/R Right Hand Drive - Pair.	£69.95
22	LTG166A	Quartz Halogen Conversion Kit Lucas H4: A/R Right Hand Drive With Pilot - Pair.	£69.95
22	LTG167	Quartz Halogen Conversion Kit Lucas H4: A/R Left Hand Drive - Pair.	£69.95
22	LTG167A	Quartz Halogen Conversion Kit Lucas H4: A/R Left Hand Drive With Pilot - Pair.	£69.95
23	ACC101	Head Light Stone Guards - Pair: BN1 - BJ8 Protect your headlamps against flying objects with these period chromed wire guards.	£9.95
24	ELG216UR	Battery - 6 Volt - Without Lugs: BN1, BN2 - BN6 & BN7 These classic looking rubber cased batteries are uprated to 70 amp hours from the standard 57amp so will last longer and give better output.	£89.95
24	ELG217UR	Battery - 12 Volt - Without Lugs: BN4, BT7 - BJ7 & BJ8 These classic looking rubber cased batteries are uprated to 68 amp hours from the standard 58amp so will last longer and give better output.	£185.00
