No:	Part No:	Description:	Price:
8	OBP126	Rear Wing - Aluminium R/H: BN2 - BJ8 (One Piece Pressing)	£498.00
8	OBP127	Rear Wing - Aluminium L/H: BN2 - BJ8 (One Piece Pressing)	£498.00
<p>We have invested a great deal of time and money in improving these wings. We have remade all of the finishing jigs and fixtures needed to finish our front and rear wing one piece pressings.</p> <p>This has been done with the assistance of several internationally renowned restorers who have helped us to arrive at a definitive shape for these panels. From now on you will be able to purchase the full range of replacement wings, safe in the knowledge that they will fit as well as the O.E. panels.</p>			
9	COM113	Vents - Alloy - Front Wings - Outer Flange: BN1 - BJ8	£149.50
9	COM113S	Vents - Steel - Front Wings - Outer Flange: BN1 - BJ8	£149.50
<p>Fitted to the front wings these competition styled alloy vents help with air flow through the engine bay and also give your car that sleek and aggressive look. These vents have an outer flange to assist in fitting and give your car that performance look.</p>			
10	COM114	Vents - Alloy - Front Wings - No Flange: BN1 - BJ8	£105.00
10	COM114S	Vents - Steel - Front Wings - No Flange: BN1 - BJ8	£105.00
<p>Fitted to the front wings these competition styled alloy vents help with air flow through the engine bay and also give your car that sleek and aggressive look.</p>			
11	OBP202	Door - Complete, Aluminium R/H: BN1 - BN2	£369.00

11	OBP206	Door - Complete, Aluminium R/H: BN4 - BT7	£449.50
11	OBP207	Door - Complete, Aluminium L/H: BN4 - BT7	£449.50
11	OBP208	Door - Complete, Aluminium R/H: BJ8	£535.00
11	OBP209	Door - Complete, Aluminium L/H: BJ8	£519.50
<p>Complete high quality aluminium doors give a considerable weight saving. Made from our new jigs these doors are a direct replacement.</p>			
12	OBP241	Bonnet - Aluminium: BN1 - BN2	£415.00
<p>Manufactured from our new bonnet tooling, this part is of a higher quality finish than any other bonnet on the market.</p>			
13	OBP243	Bonnet Louvered - Aluminium: BN1 - BN2	£495.00
<p>Manufactured from our new bonnet tooling, this part is of a higher quality finish than any other bonnet on the market.</p> <p>A direct replica of the louvered bonnet fitted to all Le Mans Healey 100M's with the correct shaped and spaced louvers. Designed to increase airflow in the engine bay to assist in cooling.</p>			
<p>To be used with the leather bonnet strap (OBP244) or (OBP244P) and fixing plates (OBP245)</p>			
14	OBP244	Strap Assembly - 100/4 (For OBP242 & OBP243): BN1 - BN2	£46.50
14	OBP244P	Strap Assembly - 100/4 (Fleece Lined - High Quality): BN1 - BN2	£105.00
<p>Brown Leather Bonnet Strap lined with wool to protect your paintwork. Hand made in the UK.</p>			

OUTER COMPETITION BODY PANELS

OUTER COMPETITION BODY PANELS

No:	Part No:	Description:	Price:
15	OBP245	Fixing Plates - Chrome (For Bonnet Strap): BN1 - BN2	£10.95
16	BON160	Leather Straps - Short (Pair): A/R These leather straps are designed to make sure that bonnets and boot lids are securely fastened preventing unexpected and dangerous opening.	£9.95
17	BON161	Leather Straps - Short (High Quality): A/R Made from the same quality leather we use for the Healey 100 bonnet strap assembly, these bonnet and boot lid safety straps are of the highest quality. They come complete with the shroud chrome plated fitting plates and all the fixings to secure them. Much more pleasing to the eye than the standard type straps.	£47.50
18	OBP255	Bonnet Louvered - Aluminium: BN6 - BJ8 Pressed in one piece from our new bonnet tooling for a higher quality finished part than a hand-wheeled item. This is an exact replica of the louvered bonnet fitted to most competition Austin Healey 100/6's and 3000's. Designed to increase airflow in the engine bay to assist with cooling.	£525.00
19	OBP253	Bonnet Plain - Aluminium: BN6 - BJ8 Pressed in one piece from our new bonnet tooling for a higher quality finished part than a hand wheeled item.	£459.00
20	COM140	Boot Lid - Alloy - Works Type: BN4 - BJ8 This aluminium boot lid is hand crafted by A.H. Panels to allow a spare wheel to be carried in the boot compartment when using a larger fuel tank. An exact replica of the original ones used on competition Healeys.	£995.00
21	OBP151	Boot Lid - Aluminium: BN1 - BN2	£469.50
22	OBP156	Boot Lid - Aluminium: BN4 - BJ8 Pressed in one piece from our boot lid tooling for a higher quality finished part than a hand-wheeled item.	£495.00
